ASIAN COMPUTER PROJECT

This quarter you will be doing research on an Asian country. You will research the country of your choice then make a computer generated slide show using a program called "Power Point". You may pick from any of the following countries or areas of Asia:

Bangladesh, Bhutan, Brunei, Cambodia, China, Taiwan, India, Indonesia, Japan, North Korea, South Korea, Laos, Malaysia, Mongolia, Myanmar (Burma), Nepal, Pakistan, Philippines, Singapore, Sri Lanka, Thailand, The Maldives, Hong Kong, Tibet, East Timor, New Guinea, or Vietnam.

Once you have chosen a country, you will need to make a planning sheet. Decide on what topics you want to present to the class and research information about each topic. Look through books, magazines, culture grams, encyclopedias, and the Internet to find information. Make sure your information is interesting and write the information in your OWN WORDS on your note cards. You need at least 13 note cards.

The first note card needs to be a title page and the last card needs to be a bibliography card containing an alphabetical list of your sources. The other 10 cards need have interesting information about your country on them. Some of the topics you could use are:

Special Holidays, Art, Dancing and Music, Agriculture, Education, Climate, Topographical Features, Food, Animals, Traditional Clothing, Religion, Village or City Life, Homes, Crafts, Sporting Events, Jobs, Government, Unique Customs, and etc.....

ALL 13 NOTE CARDS NEED TO BE COMPLETED BY Dec 9th (Monday)
Mrs. Adams needs to see that they are completed before you can go to the computer lab to start your Power Point presentation.
